APPLICATION FOR RECORDER'S LAND RECORDS DOCUMENT SEARCH ENGINE – GOVERNMENTAL USERS

A Laredo account with the Recorder's Office provides the convenience of searching, viewing and printing copies of any real estate related documents recorded in the Will County Recorder of Deed's office.

This service is being offered to all governmental entities for **free** as a tool in identifying property owners, newly platted subdivisions and many other uses. However, there will be a limited number of user names and passwords provided to each office and the access is for governmental use only.

Please return this completed form to the address above, Attention: Amy Chavez or email it to Amy at achavez@willcountyvillinois.com

*****Please PRINT clearly. All fields MUST be completed or the request will be rejected.**

*****Please allow 5 business days for processing. Once this application has been processed by the Will County Recorder's office, you will receive an email verification that your account has been setup.**
