Property Fraud Alert

Karen A. Stukel, Will County Recorder, would like to take the time to notify the citizens of Will County about a new service available at her office. *Property Fraud Alert* is a FREE online subscription service which will enable the general public to register their name or name of their organization with the Recorder's Office in order to monitor potential fraudulent activity. Once registered with this service, subscribers will receive a notification via email or phone in the event that a document is recorded involving their name.

Anyone can be a victim of property fraud. This type of criminal often preys on the elderly, people that have paid off their mortgage, and individuals with rental or vacant property. Although Will County has had isolated incidents of fraud and has assisted Law Enforcement Agencies in prosecuting these perpetrators, this is a serious problem in areas all over the country. *Property Fraud Alert* does not stop fraud from happening; however, it does afford property owners the ability to take appropriate measures right away if fraud is suspected.

Implementing this service will provide home owners an early detection system for potential fraud. In most instances the alerts will be regarding legitimate documents that pertain to the buying and selling of property. If a person is concerned about any documentation filed, the alert will contain information for accessing that information. Please take the time to sign up for this FREE service today. Property fraud can happen to anyone.

Property Fraud Alert is now available on our website at www.willcountyrecorder.com or by calling 1-800-728-3858. If you have any questions or need assistance, you may also contact the Recorder's Office at (815) 740-4637.
